First Floor, Block 1, Manufacture Center, No.1 Software Road, Zhuhai, Guangdong,
China

(FCC ID: 2AEIXZJ700)

Declaration

DATE: 2018-05-16

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

To Whom It May Concern:

Although the product hardware has the capability to operate on other frequency bands that are supported within or outside the United States, but the device just only supports WCDMA Band 2/4/5 and FDD LTE Band 2/4/17, the firmware will prevent their operation in the United States, before leave factory, the manufacturer shall set up well the firmware, and nobody can modify it.

Sincerely,

DBJ Technologies (Zhuhai) Co., Ltd.
