Dear Sir or Madam:

The RF chip, model Z3735F, installed in FCC ID: 2AEJLSPRING8 supports NFC functions. For use in the US this chip will not support/enable the NFC function. The NFC function has been shielded by the manufacturer using the software.

Best Regards,

Signature:

Ali S Fard

Manager

A handwritten signature in blue ink, appearing to read "Ali Fard", is written over a faint, circular official stamp.
