Ensure the power is on and press the button for 10 seconds.

確保電源已打開，然後按下按鈕10秒鐘。

确保电源已打开，然后按下按钮10秒钟。

電源がオンになっていることを確認し、ボタンを10秒間押します

FCC Warning

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment complies with the FCC RF radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20cm between the radiator and any part of your body.

Declaration of Conformity

This product complies with the radio interference requirements of the European Community

This product can be used across EU member states. Due to the used enclosure material, the product **shall** only be connected to a USB interface of version 2.0 or higher. The adapter **shall** be installed near the equipment and **shall** be easily accessible. Do NOT use the device in the environment at too high or too low temperature, never expose the device under strong sunshine or too wet environment. Please ensure to use **only** the charger offered by the manufacturer. Using unauthorized charger may cause damage and **violate** the authorization of the device and guarantee articles. The charger is for indoor use only.
