## Request for Confidentiality

Company name: AED Engineering GmbH

FCC ID: 2AELE-GN1001A

FCC Part 15 Certification

Gentlemen,

In accordance with CFR 47 § 0.457 and CFR 47 § 0.459 AED Engineering GmbH hereby requests confidentiality of following attachments:

- (1) schematic diagrams,
- (2) detailed block diagrams,
- (3) detailed operational descriptions,
- (4) parts lists.

These documents contain detailed system and equipment description and related information about the product which AED Engineering GmbH considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, AED Engineering GmbH considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

---
