

Operation manual

Thank you for choosing OZNER Smart Cup, please read this manual carefully before using. OZNER Smart Cup will lead you step into a new era of access to healthy drinking water.

Make sure to read before using

Please make sure to read the following notes for safety in order to avoid any inconvenience caused to you.

Please don't dip the cup into the boiled water.

Please don't dip the cup into the water for a long time.

Never heavily strike the cup due to ceramic cup body used in this product to avoid any damage.

Never clean the cup into the dishwasher or heat in the microwave oven.

Always charge the cup with standard USB interface or high-quality USB charger, and make sure no water stain left on the charging outlet before charging.

Never heavily strike the cup when using. Water drinking volume is collected by the high-precision sensors. Strong impact may cause the sensor error increases, or even damaged.
