GETTING STARTED

1. Open the wireless charging case (🔌). The LEDs (💡) will start flashing simultaneously as pairing mode is activated.
2. Go to the Bluetooth® settings on your device and select **Urbanista Seoul** from the list.
3. The LEDs will stop flashing as the connection is established.

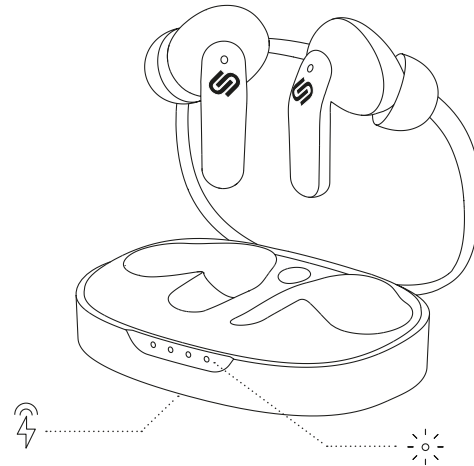

Activate Voice Assistant (🎤) by left side long-press.

Turn Gaming Mode on/off (🎮) by right side long-press.
