

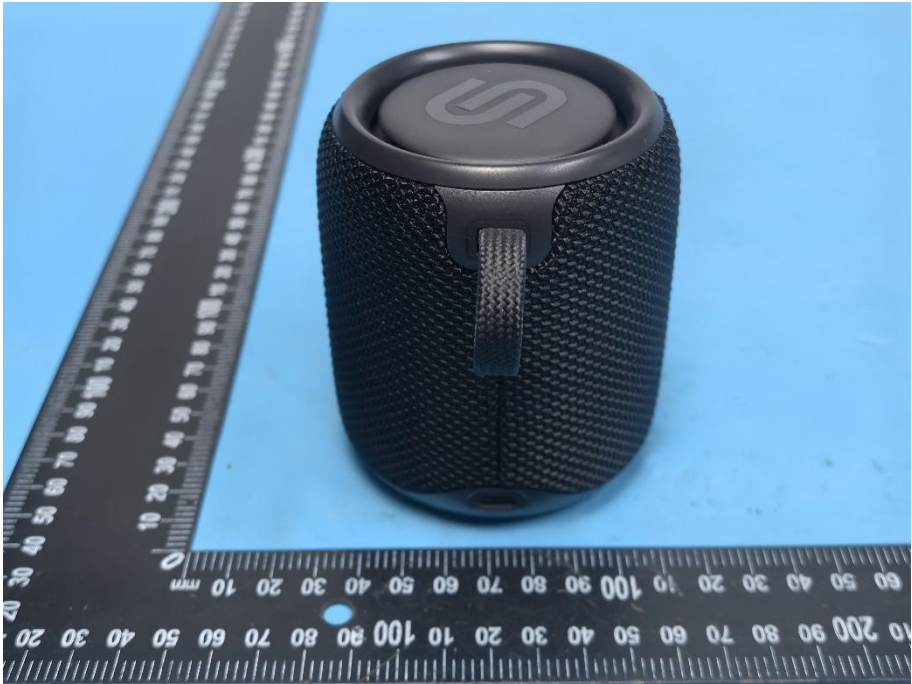

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing three small, cylindrical electronic devices (EUTs) in black, white, and grey. They are arranged horizontally on a blue surface. A black ruler with white markings is placed vertically to the left of the devices for scale. Each device has a circular top with a logo and a small rectangular control panel on the front.
EUT View 2	 A close-up photograph of a single black EUT device. It is positioned on a blue surface next to a black ruler with white markings for scale. The device features a circular top with a logo and a small rectangular control panel on the front.
