Re: FCC Class II Permissive change for FCC ID ID 2AETI-0610

To whom it may concern:

This is to request a Class II permissive change for FCC ID: 2AETI-0610, originally granted on 9/14/2016.

The major change filed under this application is:

- Adding 2nd source crystal for WiFi, with an identical electrical rating and pin-to-pin compatible with main source.
