

Wonderwoof

Track, Train, Socialize and Love your dog

The WonderWoof app is an exercise tracking social network for your dog. Download for free to see other dogs in your area, schedule puppy playdates and earn bones and badges for achievements! The app also acts as a companion for your BowTie connected device!

The WonderWoof BowTie uses Bluetooth wireless technology, and an accelerometer, to help you track your pet's location and activity 24/7.

You'll receive alerts when your pet is too far away from your phone.

With Activity Tracking, you'll monitor your pet's daily activity levels, spot long-term trends, and be proactive about your pet's health!

IN THE BOX

- WonderWoof BowTie Monitor
- Fashion Band Collar Attachments (3)
- Fashion Band Safety Pin
- Micro USB Charger
- Instruction Manual
- Protective Pouch
- Cleaning Tissue

GET STARTED

1. Download the WonderWoof app from the iOS App Store or Android Market
2. Charge your WonderWoof BowTie with the USB Cable provided. LED Indicator will light up red when it's fully charged.
3. Follow the in-app instructions on pairing the WonderWoof BowTie with your phone.

ADDITIONAL NOTES

- Your pet can wear the WonderWoof BowTie at all times, even when swimming or bathing. The WonderWoof BowTie is water resistant, but should not be submerged for extended periods of time.
- Personalize your WonderWoof BowTie tracker with different Fashion Bands.
- We recommend charging as soon as you receive the flashing low battery notification. The battery may last up to 14 days, but actual battery life will vary based on usage patterns. Typically it will last for 7 days.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

You are cautioned that changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

This device complies with Industry Canada's licence-exempt RSSs. Operation is subject to the following two conditions:

- (1) This device may not cause interference; and
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radio électrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
