A gold-colored smartphone is shown from the back, lying flat on a light blue surface. The phone has a rectangular shape with rounded corners and a thin gold border. In the center of the back panel is a black wireless charging symbol, consisting of a battery icon with three concentric curved lines above it. At the top center of the phone, there is a small, vertical rectangular cutout for a camera lens. To the left of the phone is a black ruler with white markings. The ruler has two scales: the top scale is in centimeters, ranging from 0 to 100, and the bottom scale is in millimeters, ranging from 0 to 100. The ruler is placed horizontally, with the 0 mark on the left. The phone is positioned vertically, with its top edge aligned with the 0 mark on the ruler. The ruler is labeled "BOSI TOOLS" and "BS181360" in white text.
