

Table 4 Product coordinates

Product Coordinates
 The image shows a mechanical component, possibly a sensor or actuator, mounted in the center of an anechoic chamber. The chamber's walls are covered with dark, pyramid-shaped electromagnetic absorbers. A 3D coordinate system is overlaid on the image: a red arrow points upwards along the vertical axis, labeled 'z'; a blue arrow points to the right along the horizontal axis, labeled 'x'; and a green circle with a cross inside, representing a vector pointing out of the page, is labeled 'y'.
