Ref: FCC part 15 Class II permissive change for Fujitsu Isotec Limited

From: Zacta Technology Corporation
To: Compliance Certification Services

Dear Sir/Madam,

We, *Zacta Technology Corporation*, as EMC testing laboratory and agent, would like to file FCC part 15 Class II permissive change applications for *Fujitsu Isotec Limited* products listed below.

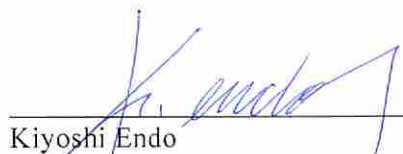

Purpose of this application is to show compliance to FCC part 15 section 15.107 limit adopted under FCC 02-157 (ET Docket 98-80).

	FCC ID
1	KHZ007M3389A
2	KHZ010M3391A
3	KHZ005M3388A
4	KHZ008LA30W
5	KHZ006LA30N
6	KHZ009M3390A

We confirm that EUT still complies with the FCC part 15 class B rules. Enclosed please find attached test report.

Please note that there is NO electrical modification to the EUT from the original testing.

Best regards,

Kiyoshi Endo
General Manager of EMC Technical Division
