- VR Headset
- Wireless Remote*
- User Manual
- Weight: 0.82lb / 0.37kg
- *2 AAA Batteries required (not included)

KEY FEATURES

- Fits devices up to 3.9" wide x 6" high
- Adjustable lens and focal distance
- Adjustable headstrap
- Wireless remote for gaming and more

SAFETY INSTRUCTIONS

Keep the unit away from heat sources, direct sunlight, humidity, water and any other liquids.

Do not use the unit if it has been dropped or damaged in any way.

Do not puncture or harm the exterior surface of the product in any way.

Keep the unit free from dust, lint, etc.

Do not use this unit for anything other than its intended use or purpose. Doing so may damage the device.

This product is not a toy. Keep out of reach of children.

Take frequent breaks while using the unit. If you experience nausea, discomfort, eye strain, or disorientation, immediately discontinue using the unit.

Do not use this product while driving, walking, or otherwise by being distracted from real world situations that prevent you from obeying traffic or safety laws. Do not drive or operate heavy machinery immediately after using this product if you feel impaired or disoriented.

• If you have had or could be prone to seizures, consult a doctor before using the Cynoculars Virtual Reality Headset + Remote.

- Do not use if you are pregnant, have high blood pressure, or have a fear of heights or crowds.
- If you feel dizzy or sick, stop using the headset for a while.

HEADSET DIAGRAM

HEADSET SPECIFICATIONS

Operating System: iOS® & Android®
Field of View: 80° degrees
Objective Lens: 1.65 in (42mm)
Magnification Range: 3-5x
Min. Interpupillary adjustment: 2.32 in (58.9mm)
Max. Interpupillary adjustment: 2.83 in (71.8mm)
Compatibility: Smartphones up to 6"

OPERATING INSTRUCTIONS

Open the App store on your device and search for Apps using the keyword "VR". The search will show Apps that are compatible with virtual reality.

Download and install the VR Apps you would like to use with the VR headset + remote.

On your smartphone's App store, download and open a VR compatible App. Once open, it may give instructions before you can use it with the headset. Follow those instructions.

Slide the device cartridge out and away from the headset. Expand the phone grip and center your smartphone as much as possible in the cartridge. Slide the device cartridge with your device back into the headset.

Put the headset on and adjust the headstraps until the headset sits comfortably on your head.

NOTE: The VR headset works best with smartphones sizes 4.25 in. to 6 in. If your device is smaller than the recommended size, install the enclosed foam padding onto device.

FOAM PADDING PLACEMENT

Slide out and remove the device cartridge from the headset. Ensure the device cartridge is right side up. Remove the foam padding from adhesive paper and place under the device grip as indicated below:

On your smartphone's App store, download and open a VR compatible App. Once open, it may give instructions before you can use it with the headset. Follow those instructions.

SETTING DEVICE PROFILE

Some Apps will request you scan a QR code to set the profile of your headset. Use the code below.

ADJUSTING THE VIEW

Before you can experience VR Apps or movies, you will need to ensure the image is focused. Each wearer of this headset may need to adjust lens and focal point distance to accommodate their eyesight.

ADJUSTING THE VIEW

Before you can experience VR Apps or movies, you will need to ensure the image is focused. Each wearer of this headset may need to adjust lens and focal point distance to accommodate their eyesight.

To adjust the focal point, slide the small Focal Point knobs left and right while you are using the headset. Continue to adjust the focal point until the image comes into focus.
