Curtis-Strauss, LLC (a Bureau Veritas company)
One Distribution Center Circle, Suite #1
Littleton, MA 01460,

FCC ID: 2AEZR-DURSLOW
Applicant: Amazon Robotics LLC

To whom it may concern:

Amazon Robotics LLC requests that the following documents and information be kept confidential referring to the FCC rules 0.457 and 0.459:

1. Block Diagram
2. Schematics
3. Operational Description
4. Internal Photos (The circuit board and internal components are not accessible to the users)

The application contains technical data and information, which we deem to be trade secrets and proprietary and would customarily be guarded from competitors. In accordance with KDB document 726920 D01 Confidentiality Request Procedures (II. Long-term Confidentiality Section 3), the radio equipment is strictly controlled and limited for use only by the Grantee and not available for sale to third party purchasers/users. This information is not publically available to anyone outside of the company. If made public, the information might be used to the disadvantage of the applicant.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Finlayson", written over a horizontal line.
