

Processor PCBA Label

The Processor PCBA label is adhered to the PCBA during manufacture and used to track the PCBA as it is tested and run through assembly.

Processor PCBA Label	
Arena Part Number	440-00061
Material	PET
Width (mm)	3cm
Height (mm)	1.2cm
Example	 MODEL: STS-60 FCC ID : 2AF20-ST560 IC: 20700-ST560 PN: 800-00026 SN: R1202200001 MAC: 54EFFFXXXXXX *Blue indicates dynamic fields
Placement	Placed on PCBA over the NXP processor chip
Placement Example	
Model Number	STS-60
FCC	FCC ID:2AF20-ST560
IC	IC:20700-ST560
Part Number	800-00026

Title	
Sleeptracker-AI® Monitor Gen 2 for 2018 Power Base (Gen 1.5) - Labeling Specification	
Document Information	Revision
Labeling spec for Monitor Gen 2 Processor, Sensors and other labels	H
Effective Date	
July 11, 2022	

Serial Number	Prefix + Date Code(Week Year) + Number R1WWYYXXXXX
WAN Mac Address	54EFFEXXXXXX
QR Code	pn=800-00026&sn=R1WWYYXXXXX&mac=54EFFEXXXXXX
