Re: NEOSEN ENERGY

FCC Certification Confidentiality Request

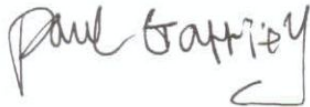

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. NEOSEN ENERGY requests that the following documents regarding this submission for FCC ID: 2AF633211352HP be kept confidential:

Exhibit Type	File Name
Block Diagram	Block Diagram.pdf
Circuit diagram	Circuit diagram.pdf
Operational Description	Operational Description.pdf

Those documents contain detailed system and equipment description and related information about the product which NEOSEN ENERGY considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, NEOSEN ENERGY considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,
