

IMPORTANT PRODUCT INFORMATION

SAFETY INFORMATION
 FAILURE TO FOLLOW THESE SAFETY INSTRUCTIONS COULD RESULT IN FIRE, ELECTRIC SHOCK, OR OTHER INJURY OR DAMAGE.

Installation by a qualified electrician may be required in your area. Refer to your local laws and building codes before performing electrical work; permits and/or professional installation may be required by law.

WARNING.
Risk of electric shock. Do not directly connect this device to the electrical main. This device is intended to be connected to an existing doorbell chime transformer supplying 16-24 volts AC at 50 or 60 Hz, 40VA max. For setup, mounting and hardwire installation instructions, go to blinkforhome.com/setup. Installation by a qualified electrician may be required in your area. Refer to your local laws and building codes before performing electrical work; permits and/or professional installation may be required by law.

Small parts contained in your Device and its accessories may present a choking hazard to small children.
Handle your device and its accessories with care. Your device or its accessories may have pointed edges which can lead to scratches, cuts, or other physical injury.

BATTERY SAFETY
 The Lithium batteries accompanying this device cannot be recharged. Do not open, disassemble, bend, deform, puncture, or shred the battery. Do not modify, attempt to insert foreign objects into the battery or immerse or expose to water or other liquids. Do not expose the battery to fire, explosion, high temperature or other hazard. Fires involving lithium batteries can usually be controlled with flooding with water, except in confined spaces where a smothering agent should be used.

If dropped and you suspect damage, take steps to prevent any ingestion or direct contact of fluids and any other materials from the battery with skin or clothes. If a battery leaks, remove all batteries and recycle or dispose of them in accordance with battery manufacturer's recommendations. If fluid or other material from the battery comes into contact with skin or clothes, flush skin or clothes with water immediately. An open battery should never be exposed to water, as fire or explosion may result from exposure to water.

Insert the batteries in the proper direction as indicated by positive (+) and negative (-) markings in battery compartment. Always replace with non-rechargeable AA 1.5V Lithium batteries (lithium metal batteries) specified for this product.

Do not mix used and new batteries or batteries of different types (for example, Lithium and alkaline batteries). Always remove old, weak, or worn-out batteries promptly and recycle or dispose of them in accordance with applicable laws and regulations.

PRODUCT SPECIFICATIONS

Blink Video Doorbell
Model Number: BDM00200U
Electrical Rating: Power: 2 AA 1.5V lithium metal (non-rechargeable) batteries. Existing chime wiring: 16-24 VAC
Operating temperature range:-4-113°F

FCC Compliance
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
