Dear Madam/Sir:

To Whom It May Concern:

In accordance with §0.457(d) and §0.459 of CFR 47, iRhythm Technologies, Inc. (iRhythm Technologies) requests permanent confidentiality for the following items:

- Block Diagram
- Schematic Diagram
- Part List
- Operational Description

These items contain detailed system and equipment description and related information about the product which iRhythm Technologies considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, iRhythm Technologies also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.

Sincerely,
