

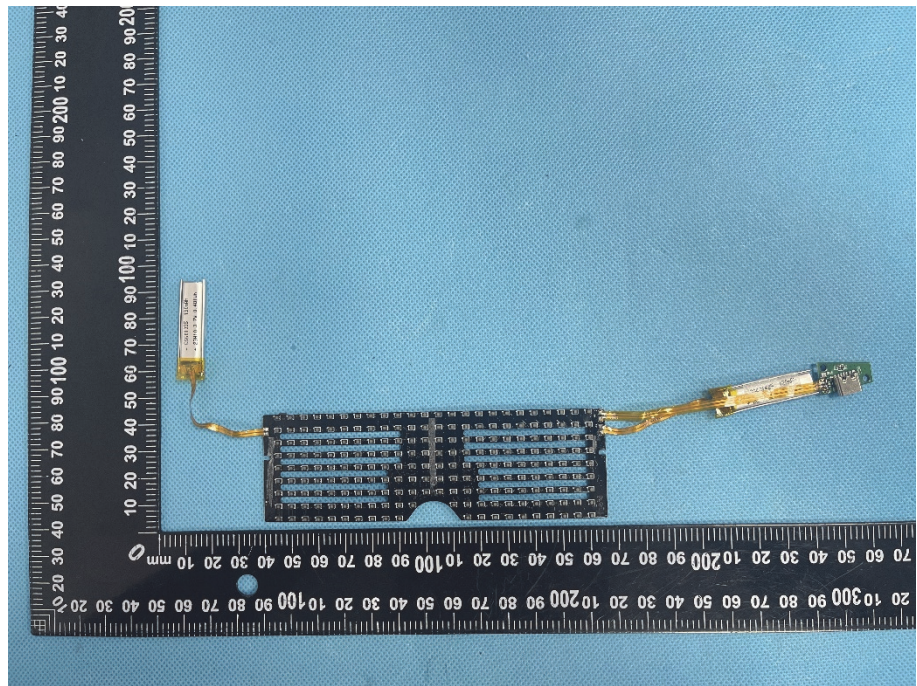

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of an Electronic Under Test (EUT) housing. The housing is black and has been opened to reveal a printed circuit board (PCB) populated with numerous surface-mount components. A black ruler is placed vertically to the left of the housing for scale, with markings in millimeters and centimeters. The background is a light blue surface.
EUT Housing and Board View 2	 A photograph showing a different view of the EUT housing and its internal PCB. This view highlights a specific section of the board, possibly a connector or a specialized component. A black ruler is placed vertically to the left of the housing for scale. The background is a light blue surface.
