Host Model Numbers for eSight Head Mounted Displays: 300200x where x signifies the color of the case.

The only difference between model numbers is the enclosure color.

The image below is a screen capture from the host device from the About menu to satisfy e-labeling requirements.

Device Information

Device Information

Model name: eSight 4

Model #: 3002000

SN: ES0014005

IP: 192.168.50.173

(DI):

(PI): V4.0.0

Contains:

Primary Module

FCC ID: 2AFDI-ITCNFA324

IC: 9049A-ITCNFA324

HVIN: ITCNFA324

Contains:

Secondary Module

FCC ID: QOQ11

IC: 5123A-11

HVIN: BGM11S1A
