CAUTION: Do not use Germanium and Magnetic Hematite if you have a pacemaker as it may stop your pacemaker from working. Keep these materials away from all cards with magnetic strips as the information on the strips may be erased. The Himalayan salt stones are highly sensitive to humidity and water and should not be immersed in water. Do not use these stones in your HELO device while pregnant.

LEGAL DISCLAIMER: Helo measurements are trend measurements and are for self evaluation purposes only. All measurements should be considered as ambulatory measurements. Accuracy may vary significantly and measurements are not designed or intended to substitute professional medical advice, clinical assessment or medical measurement. In case of concern, inconsistency or measurement abnormalities or if you develop skin irritation or any negative effects, stop use immediately and consult your medical professional.

SAFETY INFORMATION: Not to be worn by anyone wearing any medical electrical implant device.

MEDICAL WARNING: This product is NOT being sold as a Medical Device or to replace professionally prescribed Medical treatment. Consult your Doctor before use.

DO NOT USE IF YOU ARE PREGNANT, WEAR A PACEMAKER, OR ANY OTHER FORM OF ELECTRICAL IMPLANT OR DEVICE FOR MEDICAL REASONS OF ANY KIND.

FCC Warning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

IC warning statements:

"This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device."

This Class B digital apparatus complies with Canadian ICES-003.

-French Warning Statement:

"Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement."

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

The digital apparatus complies with Canadian CAN ICES - 3 (B)/NMB - 3(B).

Important Note:

1. The product shall only be connected to a USB interface of version USB2.0. Please use common USB Cable, Otherwise, It may result to danger.
2. Operating Temperature: -20~+40℃
3. CAUTION: RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS.

Declaration Of Conformity

Hereby, **WORLD MEDIA AND TECHNOLOGY Corp** Declares that this **Smartband** is in compliance with the essential requirements and other relevant provisions of directive 1999/5/EC.
