

Solder Board-Component View 8	 A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 8'. The component is rectangular with rounded corners and features a central square chip with a logo. It is surrounded by various electronic components, including resistors, capacitors, and a small antenna. The component is placed on a blue textured surface next to a black ruler with white markings, showing its dimensions.
Solder Board-Component View 9	 A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 9'. This view shows the underside of the component, revealing a dense array of components, including a large central chip labeled 'ATHEROS', various capacitors, resistors, and a small antenna. The component is placed on a blue textured surface.
