

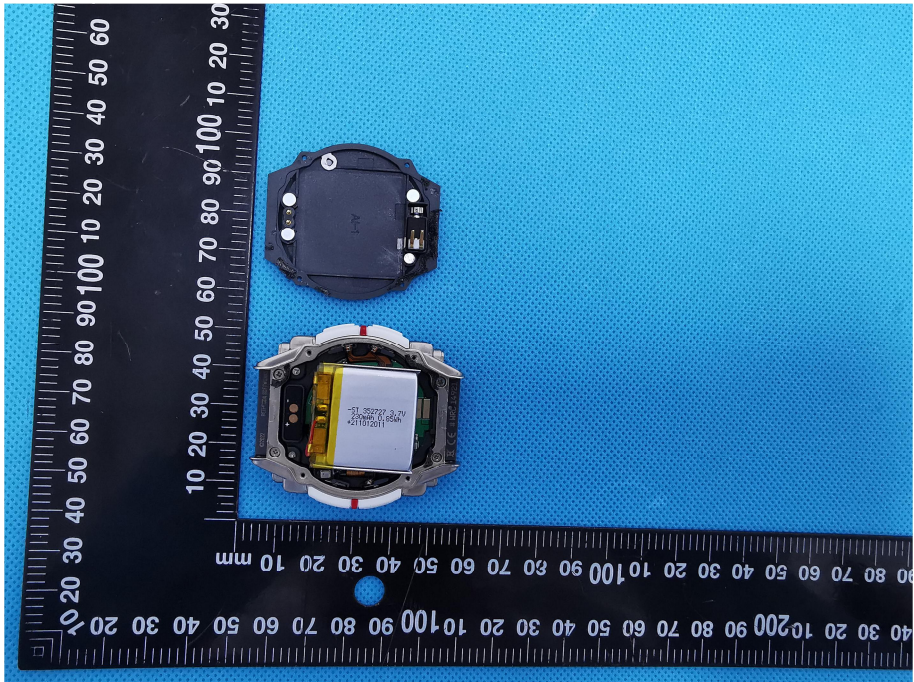

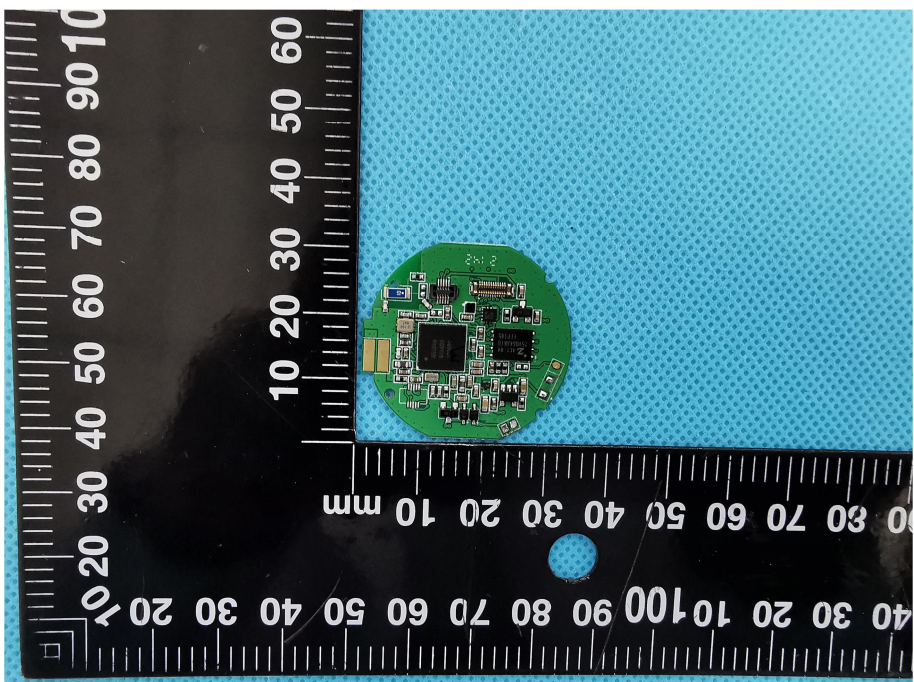

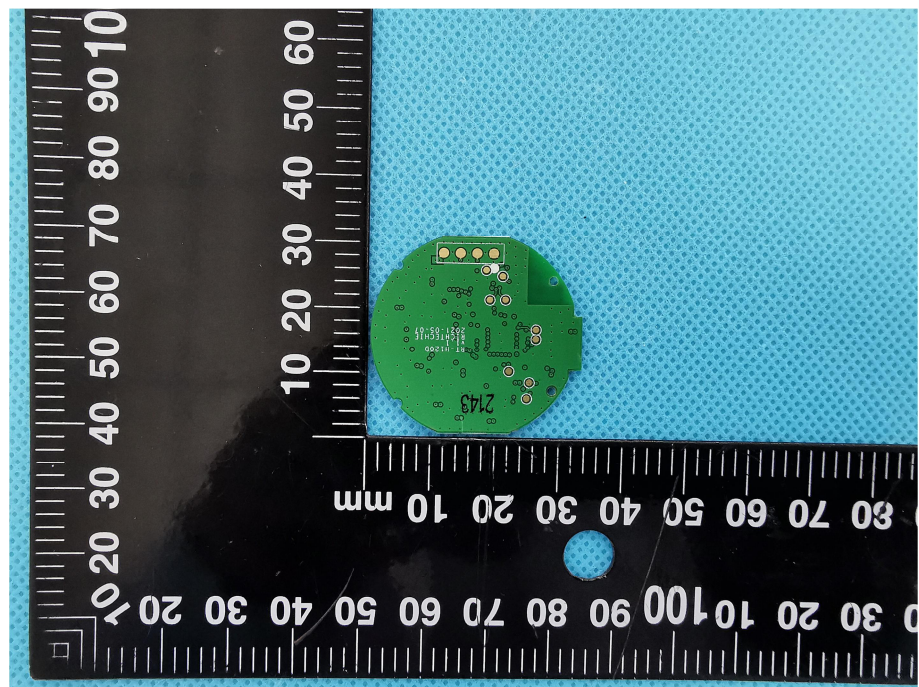

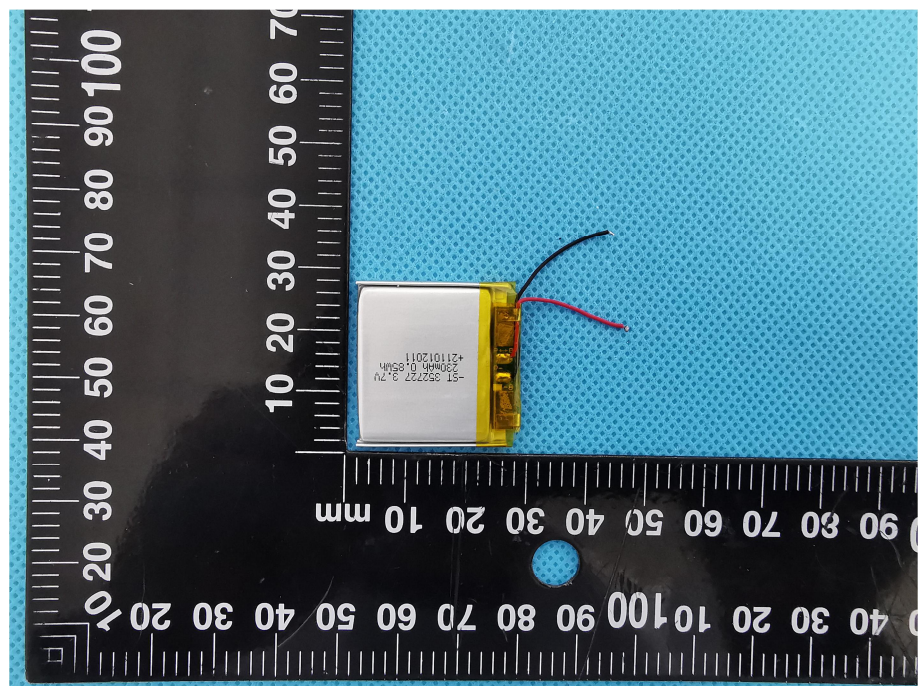

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of an EUT housing. A black plastic housing is positioned above a silver-colored metal housing. Inside the metal housing, a white battery is visible with the text "3.7V 200mAh (1.25Ah) *211012011". A black ruler with white markings is placed horizontally below the components, showing measurements in millimeters. The background is a blue textured surface.
Solder Board-Component View 1	 A photograph showing a green printed circuit board (PCB) with various electronic components, including a large black integrated circuit (IC) and several smaller components. The PCB is placed on a blue textured surface. A black ruler with white markings is placed horizontally below the PCB, showing measurements in millimeters.
