FCC INFORMATION

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B Digital Device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the distance between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

WARNING: To comply with FCC's RF radiation exposure limits for general population/uncontrolled exposure

This equipment complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This equipment may not cause harmful interference.
2. This equipment must accept any interference received, including interference that may cause undesired operation.

FCC ID: nnnnnnnnn **FC**

CAUTION

- Use of earbuds diminishes your ability to hear background noise. For your safety and the safety of others, do not use while driving, cycling, or in any situation where reduced ability to hear your surroundings may be hazardous.
- These earbuds fit snugly in your ears. Long-time use may cause discomfort. If you experience discomfort, remove the earbuds.
- Pushing the earbuds too far into your ears, or removing them with a fast motion, may cause discomfort. Remove your earbuds slowly.
- Listening to audio at a high volume may affect your hearing.
- The static electricity accumulated in the body may cause

a slight feeling of electric shock when using the earbuds. Wearing clothes made of natural materials can reduce this affect.

- Do not drop, crush, bend or apply excessive force to the device.
- Do not expose the device to moisture, extreme or prolonged heat, cold, humidity, or other adverse conditions. Avoid storage in damp, humid or wet locations.
- The unit can only be opened by qualified personnel.

LITHIUM-POLYMER BATTERY WARNING

This device contains a rechargeable Lithium-Polymer battery. The battery must be recycled or disposed of properly. Contact your local waste management office for information on battery recycling or disposal.

Use only the supplied cable to recharge the battery. Improper charging may damage the battery and the device.

Do not attempt to open the rechargeable battery or battery pack. There are no serviceable parts inside.

Keep the battery out of reach of children. If swallowed, consult a physician immediately.

Do not dispose of battery in a fire as it may explode. The battery may also explode if damaged. (BC)
