

## How to set up iHere

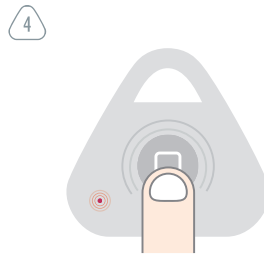

Charge iHere until red light turns green.

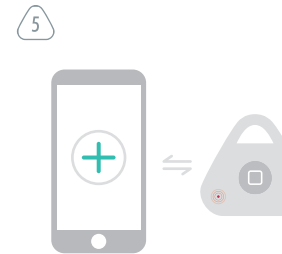

Download the free iHere3 app by searching for "iHere3"

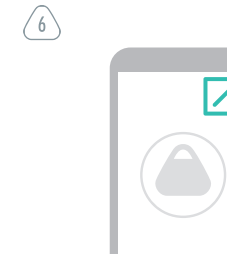

Open the app. Enable Bluetooth, location access, microphone, and camera.

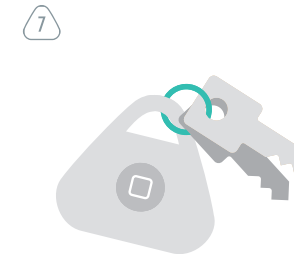

Activate iHere by holding its button down for 5-6 seconds until a blinking red light appears.

Next, place iHere near your mobile device. The iHere app will search for your iHere.

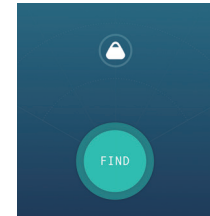

Once iHere is connected, tap the top right Edit icon to add a name and photo for your iHere.

Attach your iHere to the item you want to track.

### How to Find Your Lost Item

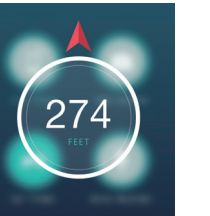

- 1 Tap the "Find" button. iHere will begin to beep. Follow this sound to find your lost item.
- 2 Tap either the "Stop" button on the app, or the button on iHere to stop the alarm.

### How to Find Your Phone

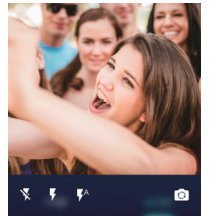

- 1 Tap the "Call Phone" option. Must have this option selected to enable iHere to call your phone.
- 2 Click on iHere to ring your phone (even when on silent).
- 3 Click on iHere again to stop ringing your phone.

### How to Locate Your Car

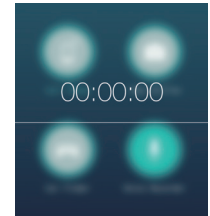

- 1 Tap the "Car Finder" option.
- 2 After parking the car, click on iHere to save your car's location.
- 3 To find your car, tap "Car Finder" on the app. Follow the arrow to find your car.

### How to Take Selfies or Group Photos

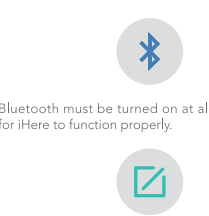

- 1 Tap the "Camera Shutter" option.
- 2 Click on iHere to take photos.
- 3 Your photos will be saved in your photo app.

### How to Record Voice Memos

- 1 Tap the "Voice Recorder" option.
- 2 Click on iHere to start and stop recording.
- 3 Swipe left on the recorded file to delete.

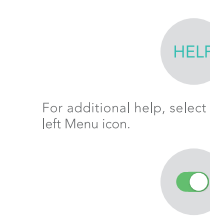

### General Tips

Bluetooth must be turned on at all times in order for iHere to function properly.

You can check iHere's battery life by tapping the top right Edit icon.

### General Tips

For additional help, select "Help" under the top left Menu icon.

To turn on/off the separation alarm, swipe the "Separation Alarm" on/off switch.
