

Xiaomi Communications Co., Ltd.

Date: 2026/3/13

To:

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD

FCC ID: **2AFZZRP4DG**

To Whom It May Concern:

We have declared below featured for FCC equipment authorization,

1. According to FCC rule part 2.925 (d) justification of using the alternative method of e-labeling for the product.
Devices have very small surface areas for a label.
2. According to KDB 784748 D02 e labeling v02 section 4, for devices with an integrated electronic display, or those devices that only operate in conjunction with another associated product that has an electronic display, below info has been stated in e-label and/or user manual.
 - A. User Steps to Access Information
 - Step 1 – access “Settings”
 - Step 2 – access “About tablet”
 - Step 3 – access “Certification” (where applicable regulatory information is displayed) or open Settings and type "Certification" into the search bar
 - B. Products must not require special accessories or supplemental plug-ins (e.g., the installation of a SIM/USIM card) to access the information.
Instructions will be provided with the product at the time of purchase, in the user manual, operating instructions, packaging material, quick guide pamphlet.

Xiaomi Communications Co., Ltd.

C. Readability of Regulatory Information

Regulatory Information	On E-Label	In User Manual
FCC ID	Yes	No
Product Name	No	Yes
Model Name	Yes	No
FCC Logo	No	Yes
15.19 statement ("This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.")	No	Yes
Class A / B Digital Device user manual statements.	No	Yes
Caution to the user that any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.	No	Yes
RF exposure statements	No	Yes

Above information must be displayed electronically in a manner that is clearly legible without the aid of magnification.

D. Regulatory Information must be Secure

Both regulatory information and dedicated exclusive application or script must be secured and implemented in a factory-set-unalterable format.

The regulatory information must be capable of being retrieved and displayed locally, and under the control of the end user in possession of the product.

The method must be secure, such that the application or script ensures that the regulatory information correctly displayed.

E. Physical and Temporary label for Purchasing and Importation

FCC ID, Product Name, and Model Name will also be applied on the packaging as a physical temporary label at the time of importation, marketing, and sales.

F. Additional Considerations

This device is not a modular device.

Sincerely,
