Any individual who may be pregnant, has a pacemaker, suffers from diabetes, phlebitis and/or thrombosis, is at an increased risk of developing blood clots, or who has pins/screws/artificial joints or other medical devices implanted in his/her body should consult with a physician before using a massaging device designed for home use.

ENVY shall not be liable for incidental or consequential damages resulting from the misuse of this product.

SPECIFICATIONS

- **SIZE:** 103 x 34 x 193mm
- **WEIGHT:** 173g
- **MATERIAL:** Silicone, ABS
- **ITEM BATTERY:** Lithium Battery 650mAh USB 3.0
- **REMOTE BATTERY:** Lithium Battery 50mAh USB 3.0
- **FCC ID:** 2AG2K012024
- **ITEM POWER:** 3.7V/ 650mAh USB 3.0
- **REMOTE POWER:** 3.7V/ 50mAh USB 3.0
- **WATERPROOF:** IPX6, Splashproof (Item only, remote not splashproof)
- **BATTERY LIFE:** Up to 60 mins use depending on speed and vibration, thrusting modes and pattern chosen.

STORAGE

- Store at 20 C - 25 C
- Store in a cool dry place.

CARE AND MAINTENANCE

Clean the vibe with a soft, damp cloth. DO NOT clean with an alcohol or chemical-based cleaner.

DISPOSAL INFORMATION

Disposal of old electronic equipment (applicable in the EU and other European countries with separate waste collection systems):

FCC WARNING STATEMENT

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.
The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
