1. Do not disassemble, attempt to open, or break the product
 2. Keep away from fire and water
 3. Do not use in a hot or humid environment to prevent damage and potential harm to the user
 4. Keep away from items with a magnetic strip or chip card (credit cards, bank cards, etc.)
 5. This item is not a toy, please keep away from children
 6. Keep a distance of 20 cm between the product and implanted medical devices to avoid potential interference
 7. 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.
1. Demontieren Sie das Gerät nicht, versuchen Sie nicht es zu öffnen oder zu zerstören
2. Halten Sie es fern von Feuer und Wasser
 3. Verwenden Sie nicht in einer warmen oder feuchten Umgebung um Schaden oder potentielle Verletzung für den Benutzer zu vermeiden
 4. Halten Sie es fern von Gegenständen mit Magnetstreifen (Kreditkarten, Bankkarten usw.)
 5. Dieser Gegenstand ist kein Spielzeug. Halten Sie es fern von Kindern
 6. Halten Sie es in einer Entfernung von 20 cm, zwischen dem Produkt und implantierbaren medizinischen Geräten um Störung zu vermeiden
 7. 15 der FCC-Regeln. Der Betrieb unterliegt den folgenden zwei Bedingungen:
(1) Das Gerät kann keine Störungen verursachen, und
(2) Dieses Gerät muss alle empfangenen Interferenzen akzeptieren, einschließlich Interferenzen, die einen unerwünschten Betrieb verursachen können.
1. Ne pas démonter, ne pas tenter d'ouvrir ou de briser le produit
2. Tenez le produit loin du feu et de l'eau
 3. Ne pas utiliser dans un environnement chaud ou humide
 4. Tenez à l'écart des articles avec bande magnétique ou puce (cartes bancaires, cartes bancaires, etc.)
 5. Cet article n'est pas un jouet, veuillez le garder hors du portée des enfants
 6. Gardez une distance de 20 cm entre le produit et les dispositifs médicaux implantables pour éviter toute interférence potentielle
 7. Point 15 des règlements de la FCC:
Le fonctionnement est soumis aux deux conditions suivantes:
(1) cet appareil ne doit pas causer d'interférences nuisibles, et
(2) cet appareil doit accepter toute interférence reçue, y compris les interférences pouvant entraîner un fonctionnement indésirable.
1. 请勿拆卸，尝试打开或破坏本产品。
2. 远离火源和水源。
 3. 请勿在高温或潮湿环境中使用，以免损坏产品并可能对用户造成伤害。
 4. 远离带有磁条或芯片的设备（例如信用卡、银行卡等）。
 5. 本产品并非玩具，请远离儿童。
 6. 请保持本产品与植入式医疗设备 20 厘米的距离，以避免潜在干扰。
 7. 本产品符合 FCC 法规第 15 条的要求，操作须满足以下两个条件：
(1) 本设备不得造成有害干扰；
(2) 本设备必须接受任何收到的干扰，包括可能造成意外操作的干扰。

Product name: EVOPAD CHARGE 2 - Foldable Magnetic Phone Holder, Wireless Charger, Mousepad & Penholder
Dutch design, Responsibly made in China

FCC statement
This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.
The equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: -Reorient or relocate the receiving antenna. -Increase the separation between the equipment and receiver. -Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. -Consult the dealer or an experienced radio/TV technician for help.
Changes or modifications not expressly approved by the party could void the user's authority to operate the equipment.
Radiation Exposure Statement
This device complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitting device within 15 cm surrounding the device and 30 cm above the top surface of the device must be respected.
