Product Layout

Indicator light:

When the power supply is connected, the green indicator light flashes three times, and then the indicator remains red. When using the wireless charger, the green indicator light is always on.

Wireless charging output

Support WPC Qi V1.2.4 standard

Support foreign object detection

Cautions:

1. Please do not place magnetic objects and any metal objects between the mobile phone and wireless charger.
2. Wireless charging output takes precedence over USB outputs.
3. Please do not put it in damp or dusty environment.

To maintain compliance with FCC's RF Exposure guidelines, This equipment should be installed and operated with minimum distance of 20cm the radiator your body. This device and its antenna(s) must not be co-located or operation in conjunction with any other antenna or transmitter
