

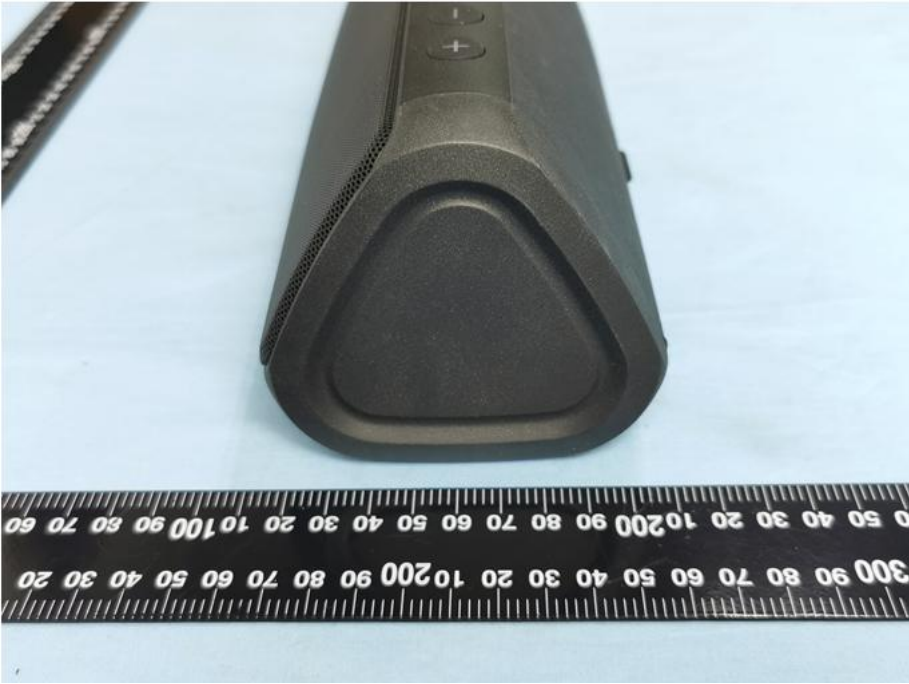

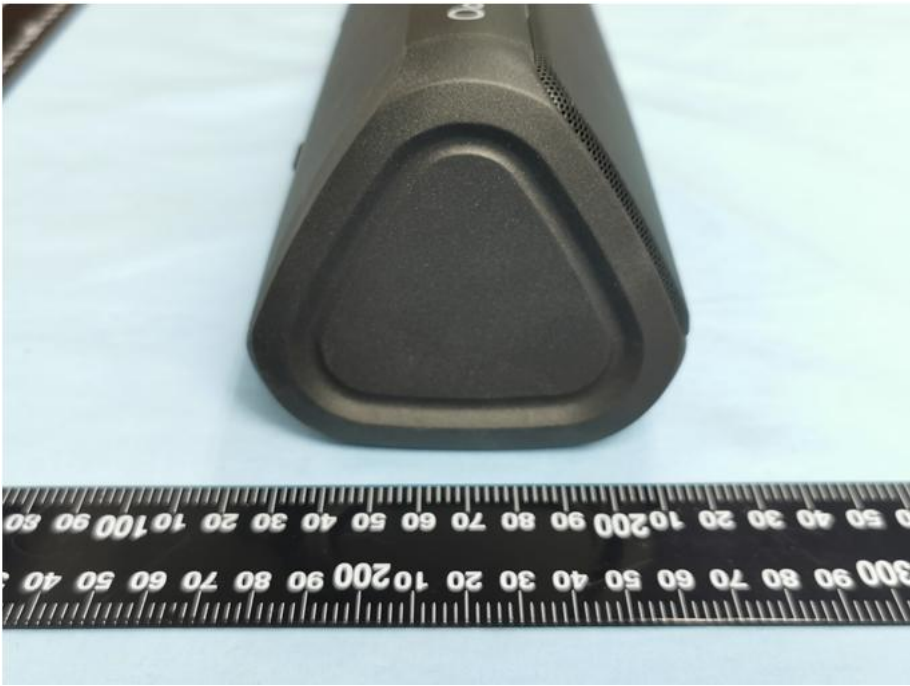

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black, rectangular electronic device with rounded ends. The front face features a horizontal row of controls: a power button, a small circular button, three directional arrow buttons (left, center, right), a Bluetooth symbol, a minus button, and a plus button. The brand name "OontZ" is printed to the left of the controls. The device is positioned next to a vertical ruler on the left and a horizontal ruler at the bottom, both marked in centimeters and millimeters.
EUT View 2	 The back of the device shows a large, stylized "OontZ" logo in the center. Above the logo, the text "TheOontZ.com" is visible. Below the logo, it says "OontZ Angle 3 PRO". On the right side, there is a small circular port and some regulatory markings. The device is flanked by two vertical slots, likely for ventilation. It is placed next to a vertical ruler on the left and a horizontal ruler at the bottom, both marked in centimeters and millimeters.

	
EUT View 3	

EUT View 4	 A black, rectangular electronic device, likely a portable testing instrument, is shown from a top-down perspective. The device has a matte finish and a series of control buttons along its top edge, including a power button and several function keys. A black ruler with white markings is placed horizontally below the device for scale. The background is a light blue surface.
EUT View 5	 A close-up view of the bottom of the black electronic device. The device has a triangular-shaped base. A black ruler with white markings is placed horizontally below the device for scale. The background is a light blue surface.
