Subject: RADIO Certification of *IKARYA WATCH*

Applicant: *TELECOM DESIGN S.A.*

Product (PMN): *IKARYA WATCH*

Model (HVIN): *TD-WTC-11*

FCC ID: *2AGMK-WTC11*

IC ID: *21552-WTC11*

To Whom It May Concern:

We would like to submit the above product for Certification concerning FCC and ISED rules for a new single certification.

Please review all required documents enclosed.

IKARYA WATCH is a smartwatch fall detector combining a mechanical system to move the hands and a digital display. This application is an information device. This device serves as a redundant communication interface for the central security unit. In the event that the primary unit's radio frequency is compromised by intentional jamming, this device detects the interference and independently transmits a priority notification to the designated monitoring station.

Compliance for RF exposure requirement is demonstrated in test report.

If you have any queries, please do not hesitate to contact us.

Regards,

Michel STEMPIN
