To Whom It May Concern,

Pursuant to the provisions of Sections 0.457 and 0.459 of Commission's rules (47CFR§§0.457, 0.459), we are requesting the Commission to withhold the following attachment(s) as confidential documents from public disclosure indefinitely.

- Schematic Diagram
- Block Diagram
- Part List
- Operational Description
- Tune-up Procedure

Above mentioned document contains detailed system and equipment description which are considered proprietary information in the operation of the equipment. The public disclosure of the above documents will be harmful to our company and would give our competitors an unfair advantage in the market.

In additional to above-mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFT §2.803 and the importation rules in 47 CFR §2.1204, and to ensure that business sensitive information remains confidential until the actual marketing of newly authorized devices, we are requesting the commission to grant short-term confidentiality request on the following attachment(s) for 180 days after the grant as outlined in Public Notice DA 04-1705.

- Internal Photos
- Test Setup Photos
- User Manual

It is our understanding that all test reports, FCC ID label, and all correspondence during the certification review cannot be granted as confidential documents, and that all such information will be made available for public review once the grant of equipment authorization is issued.
