

FCC ID LABEL:

As the product is too small to cover the FCC ID, the FCC ID is placed on page 19 of the manual.
FCC ID:

Bluetooth connection

The device will auto run Bluetooth connection mode after turn-on. After connected with your phone, you can hear “connect” and the light indicator of hearing aids flashes blue. If the connection fails, hearing aid function still available.

FCC ID: 2AGPF-K1625BE
