Modular Approval Request

FCC ID: 2AH30-TL8822CSL

The following attestation addresses the requirements to support modular approval:

Modular approval requirement	Yes (provide brief statement)	No *
(a) The radio elements must have the radio frequency circuitry shielded. Physical components and tuning capacitor(s) may be located external to the shield, but must be on the module assembly	Yes, with shielded	
(b) The module must have buffered modulation/data inputs to ensure that the device will comply with Part 15 requirements with any type of input signal	Yes . All inputs to the modules are buffered through logic or microprocessor inputs.	
(c) The module must contain power supply regulation on the module		No Module 33V power supply requires a dedicated voltage regulator and cannot be shared with other circuits.
(d) The module must contain a permanently attached antenna, or contain a unique antenna connector, and be marketed and operated only with specific antenna(s), per Sections 15.203, 15.204(b), 15.204(c), 15.212(a), 2.929(b)		No. the module has No antenna
(e) The module must demonstrate compliance in a stand-alone configuration		No, the limit module is installed in the Test Fixture
(f) The module must be labelled with its permanently affixed FCC ID label, or use an electronic display (See KDB Publication 784748 about labelling requirements)	Yes ,The modular has a permanent fixed label, and below statement was listed in the User Manual The host device must be labeled to display the FCC ID of the module Contains FCC ID: 2AH30-TL8822CSL	
(g) The module must comply with all specific rules applicable to the transmitter. The grantee must provide comprehensive instructions to explain compliance requirements	Yes , Transmitter meets MPE calculation of 47CFR 1.1307 . Refer to MPE Reports and Refeto modular installation manual	

Modular approval requirement	Yes (provide brief statement)	No *
(h) The module must comply with RF exposure requirements		

* Please provide a detailed explanation if the answer is "No."

Sincerely,

Signed:
