EN Regulatory Compliance and Important Safety Information

FCC STATEMENT:

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and

(2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

WARRANTY:

FOCI purchased from authorized retailers are covered by a 1-year manufacturer warranty, from the date of your original purchase except to the extent a longer period is required by applicable law (the "Warranty Period"). This limited warranty excludes damage resulting from: (i) improper care or handling (including, without limitation, user abuse or proximity to moisture or heat), (ii) accidents, (iii) modification, (iv) unauthorized repairs, (v) use of the FOCI with accessories, products, services or software applications not expressly

approved or provided by Tinylogics Ltd, (vi) use of FOCI in a manner contrary to, or not in accordance with, the documentation, guidelines or instructions provided by Tinylogics Ltd or (vi) other causes which are not defects in materials or workmanship of FOCI. Visit fociai.com for warranty information.

DECLARATION OF CONFORMIT:

Tinylogics Ltd is authorized to apply the CE Mark on FOCI, thereby declaring conformity to the essential requirements and other relevant provisions of Directive 1999/5/EC and other applicable Directives.

RECYCLING INFORMATION:

This symbol on the product or on its packaging indicates that this product must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help to conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste equipment for recycling, please contact your local city office, your household waste disposal service or the shop where you purchased the product.
