Cover Letter for FCC application

To whom it may concern,

Bioworld Merchandising is submitting this Class II Permissive Change application for FCC ID:2AH7W-F0116.

The following changes have been made to the previously certified device:

- a) Transceiver circuitry and layout are the same, but the peripheral circuits have been changed.
- b) New enclosure for the board.
- c) PCB antenna pattern

Regards,

A handwritten signature in black ink, appearing to read 'Kit Chan', with a stylized flourish underneath.

Kit Chan
Embedded Hardware Engineer
