Suivez les directives de l'appli pour créer un compte et jumeler votre portefeuille foundmi

COMMENCER À LE SUIVRE

Attachez votre foundmi à n'importe quel objet pour commencer à le suivre

For more information, please visit Foundmi.com

The app utilizes Bluetooth Low Energy (BLE) to communicate with your Foundmi. The maximum range is 100ft. The app utilizes location services to record the last known location of your Foundmi based on your phone's geo-location data. Continued use of GPS or Bluetooth running in the background can dramatically reduce battery life.

MODEL: FM52-1

FCC ID: 2AH7W-FM52 **IC:** 21425-FM52

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

L'appli note automatiquement le dernier moment et endroit où elle a été connectée au repère. Lorsqu'un article lié à un repère n'est plus à portée du Bluetooth, l'appli Foundmi note instantanément le dernier moment et endroit où elle était en contact avec le repère. L'appli vous montre l'endroit sur une carte et vous donnera la dernière adresse connue.

- L'appli se sert de BLE (Bluetooth Low Energy) pour communiquer avec votre héros. La portée maximale est de 100 pi.
- L'appli se sert des services de localisation pour noter le dernier endroit où se trouvait le héros avec les données de géolocalisation de votre téléphone.
- L'emploi continu du

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science, and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- (1) This device may not cause interference, and
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

The device complies with RF exposure guidelines, users can obtain Canadian information on RF exposure and compliance.

Le présent appareil est conforme. Après examen de ce matériel aux conformités ou aux limites d'intensité de champ RF, les utilisateurs peuvent sur l'exposition aux radiofréquences et la conformité and compliance d'acquiescer les informations correspondantes.
