FCC Statement

"This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) This device may not cause harmful interference,
and (2) This device must accept any interference received,
including interference that may cause undesired operation."

Cinema Control System Wall Unit

Model: HC373
Input: 29V ---, Max. 0.1A
Backup Battery: 6LR6 1x2
RF Frequency: 2.4GHz
Distance: > 50m in open space

FCC ID: 2AH9H-HC373
IC: 21543-HC373

Part No. 501956
Serial No. PQG1801657/18030
