

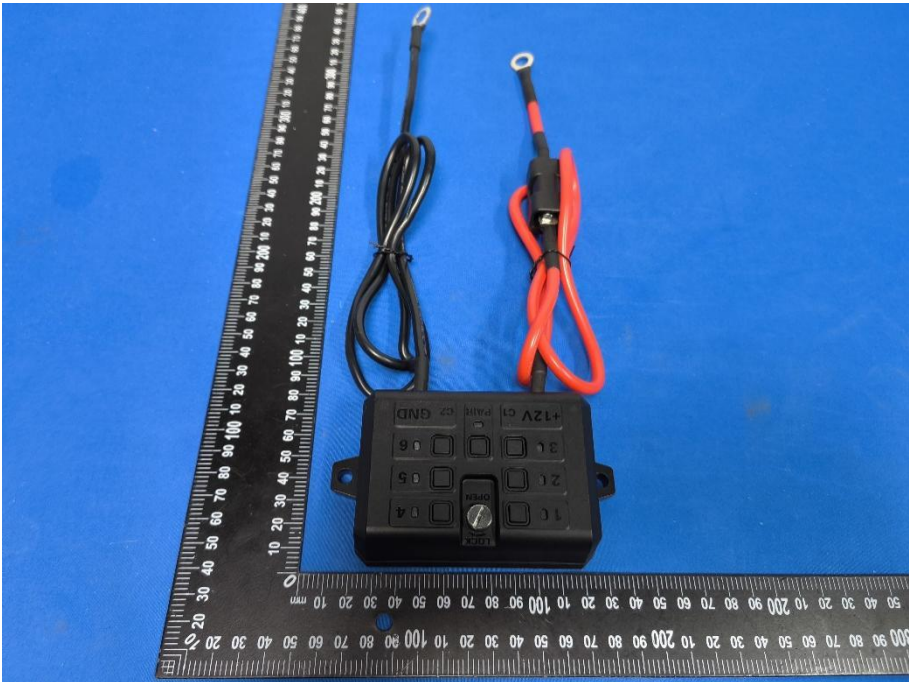

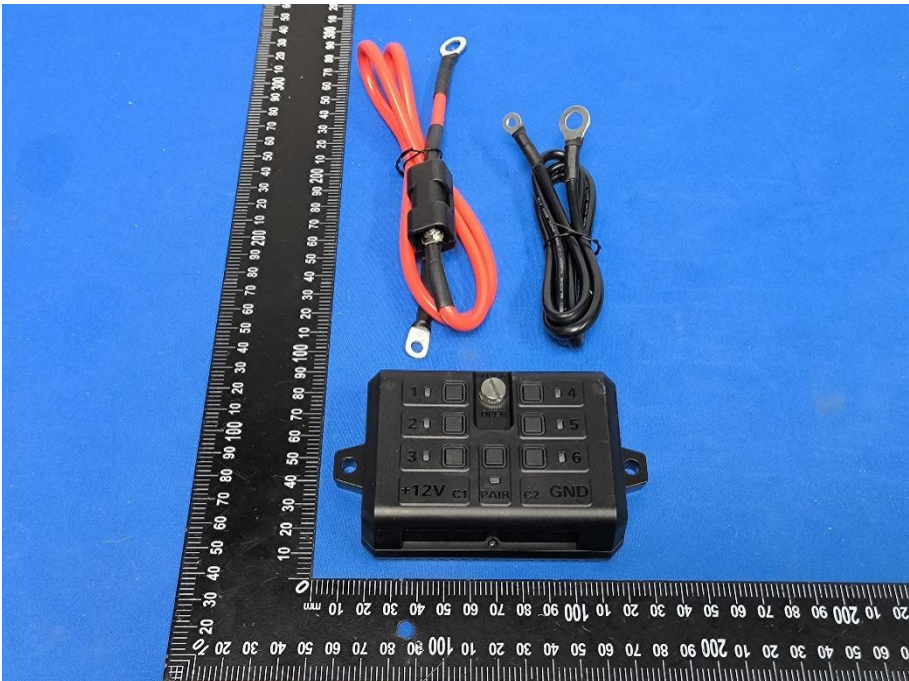

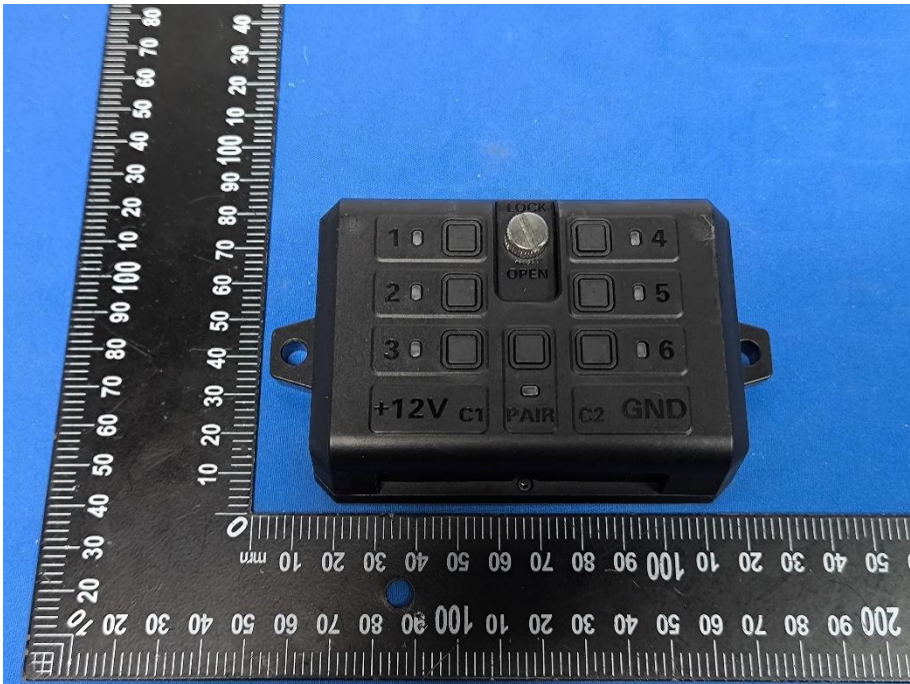

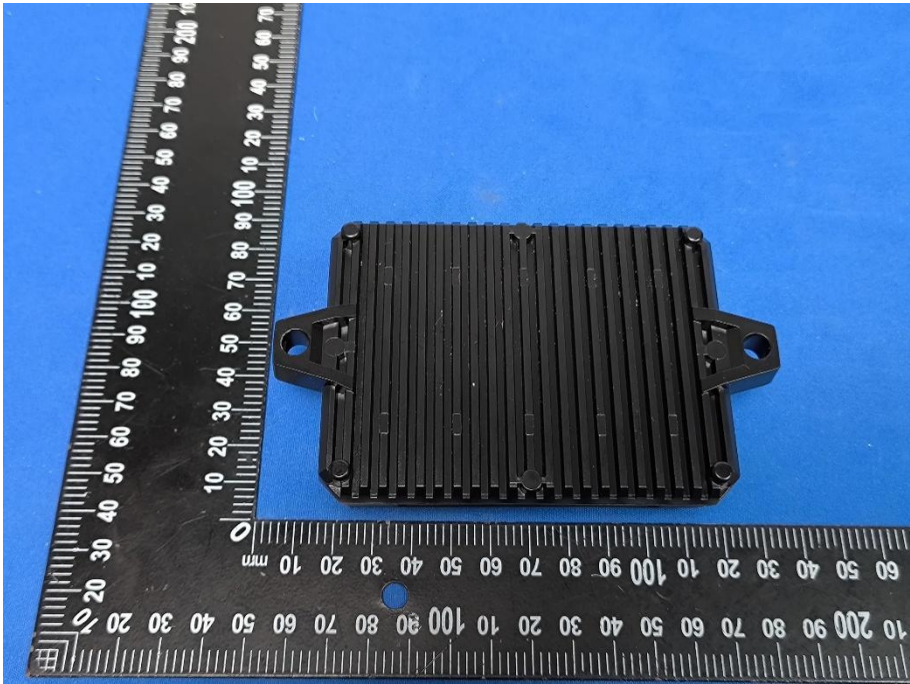

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black electronic unit, likely a power supply or test equipment, is shown against a blue background. A black ruler is placed vertically to the left of the unit for scale. Two cables are connected to the unit: a black cable with a ring terminal and a red cable with a ring terminal. The unit has several terminals labeled: +12V, GND, 1, 2, 3, 4, 5, 6, and a central terminal labeled PAIR.
EUT View 2	 A black electronic unit, similar to the one in View 1, is shown against a blue background. A black ruler is placed vertically to the left of the unit for scale. Two cables are connected to the unit: a red cable with a ring terminal and a black cable with a ring terminal. The unit has several terminals labeled: +12V, GND, 1, 2, 3, 4, 5, 6, and a central terminal labeled PAIR.
