**EUT Housing and Board
View 1**

**EUT Housing and Board
View 2**

Solder Board-Component View 1	 A photograph of a blue printed circuit board (PCB) component, labeled 'Solder Board-Component View 1'. The component is positioned on a black surface with a white ruler for scale. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The component features a gold-colored connector on the left side and various electronic components, including a small integrated circuit (IC) labeled 'BC2128' and '2021-06-16'. The component is oriented horizontally.
Solder Board-Component View 2	 A photograph of the same blue printed circuit board (PCB) component, labeled 'Solder Board-Component View 2'. The component is positioned on a black surface with a white ruler for scale. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The component features a gold-colored connector on the right side and various electronic components, including a small integrated circuit (IC) labeled 'BC2128' and '2021-06-16'. The component is oriented horizontally.

Solder Board-Component View 3	 A photograph of a blue printed circuit board (PCB) component, identified as 'Solder Board-Component View 3'. The board is rectangular with various electronic components, including a large silver heat sink on the right side. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The board is oriented vertically, with the ruler placed horizontally to its left.
Solder Board-Component View 4	 A photograph of a blue printed circuit board (PCB) component, identified as 'Solder Board-Component View 4'. The board is rectangular with various electronic components, including a large silver heat sink on the right side. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The board is oriented vertically, with the ruler placed horizontally to its left. Two white labels with black text and barcodes are visible on the board, with the text 'IMEI: 352031100288942' and 'IMEI: 352031100288934'.
