

Solder Board-Component View 3	 A photograph of a blue printed circuit board (PCB) with various electronic components, including a large silver rectangular component and several smaller components. The board is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
--	--

Solder Board-Component View 5	 A photograph of a blue printed circuit board (PCB) component, labeled '5', positioned horizontally against a blue background. The component is irregularly shaped with several soldered components and a white rectangular label. A black ruler with white markings is placed below the component, showing measurements in millimeters. The ruler is oriented vertically on the left side of the image, with markings from 10 to 100 mm.
Solder Board-Component View 6	 A photograph of a blue printed circuit board (PCB) component, labeled '6', positioned horizontally against a blue background. The component is irregularly shaped with several soldered components and a white rectangular label. A black ruler with white markings is placed below the component, showing measurements in millimeters. The ruler is oriented vertically on the left side of the image, with markings from 10 to 100 mm.
