| <p>EUT View 5</p> |  A photograph showing the back of a black electronic device, likely a rugged smartphone or PDA. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented vertically, showing measurements from 0 to 100 mm. The device has a central rectangular cutout, two circular ports on the left, and a small label with text and a logo on the right. The device is secured with several screws. |
| <p>EUT View 6</p> |  A photograph showing the front of the same black electronic device. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented horizontally, showing measurements from 0 to 100 mm. The device features a large rectangular screen and a row of five capacitive touch buttons below it. The device is secured with several screws.                                                       |
