

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS**MDT760****EUT Housing and Board
View 1****EUT Housing and Board
View 2**

Solder Board-Component View 1	 This image shows the top surface of a blue printed circuit board (PCB) with various electronic components. A black ruler with white markings is placed horizontally below the board for scale. The board features a large silver heat sink, several integrated circuits, and connectors. Text on the board includes 'MDT760_MB_V30' and '2022-1-19'. A small component is labeled 'A92 G'.
Solder Board-Component View 2	 This image shows the bottom surface of the same blue PCB. It features a large silver heat sink, several integrated circuits, and connectors. A black ruler with white markings is placed horizontally below the board for scale. The board is marked with 'MDT760_MB_V30' and '2022-1-19'.

Solder Board-Component View 3	 A photograph of a blue printed circuit board (PCB) component, labeled 'W07760_MB_V30 2022-1-19', placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements from 0 to 100 mm. The board features various electronic components, including a large silver capacitor, several integrated circuits, and gold-plated connectors.
Solder Board-Component View 4	 A photograph of a blue printed circuit board (PCB) component, similar to the one in View 3, placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements from 0 to 100 mm. The board features various electronic components, including a large silver capacitor, several integrated circuits, and gold-plated connectors.
