

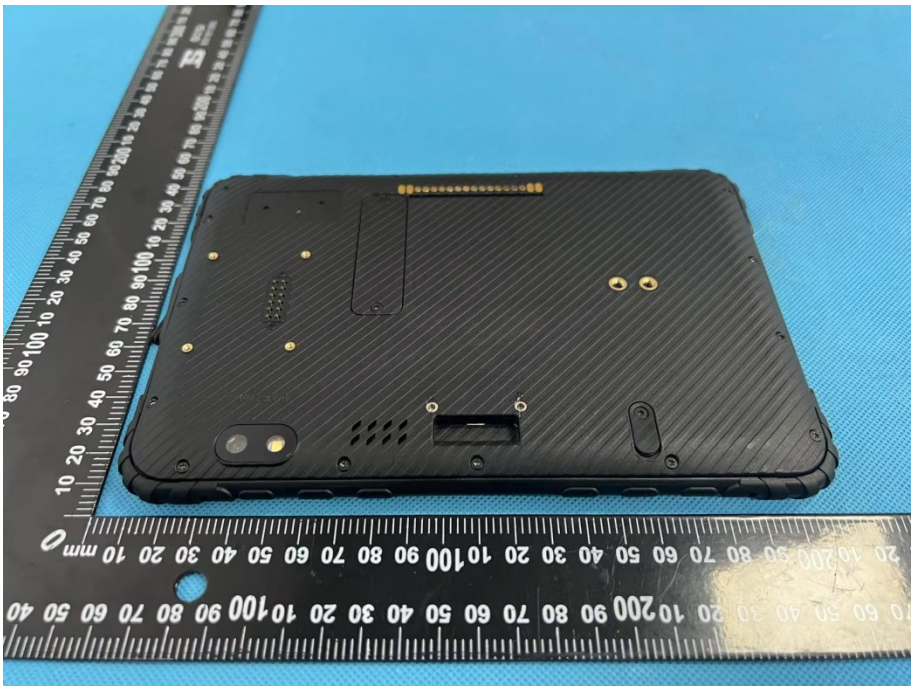

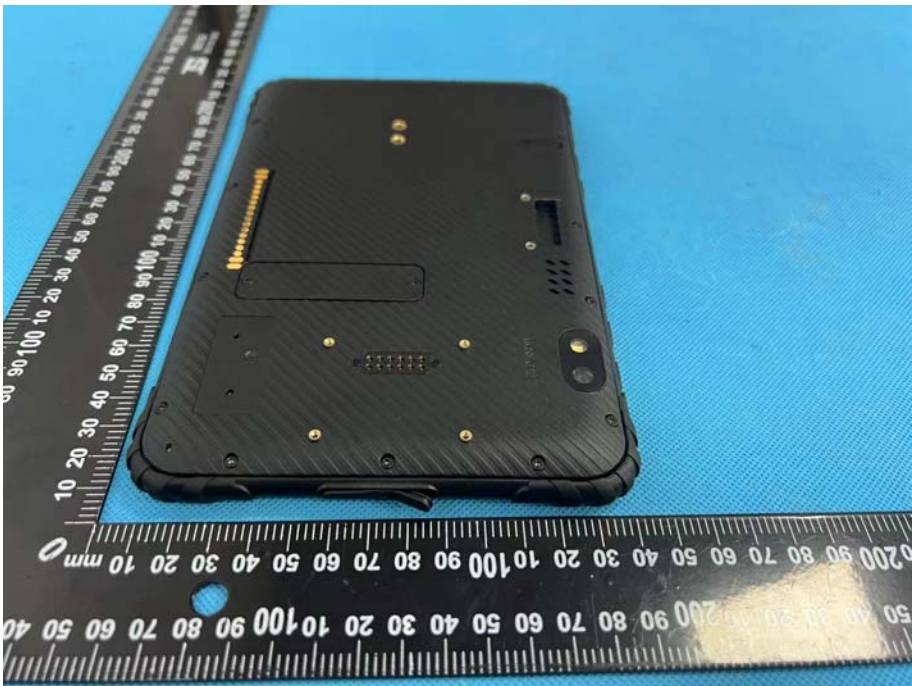

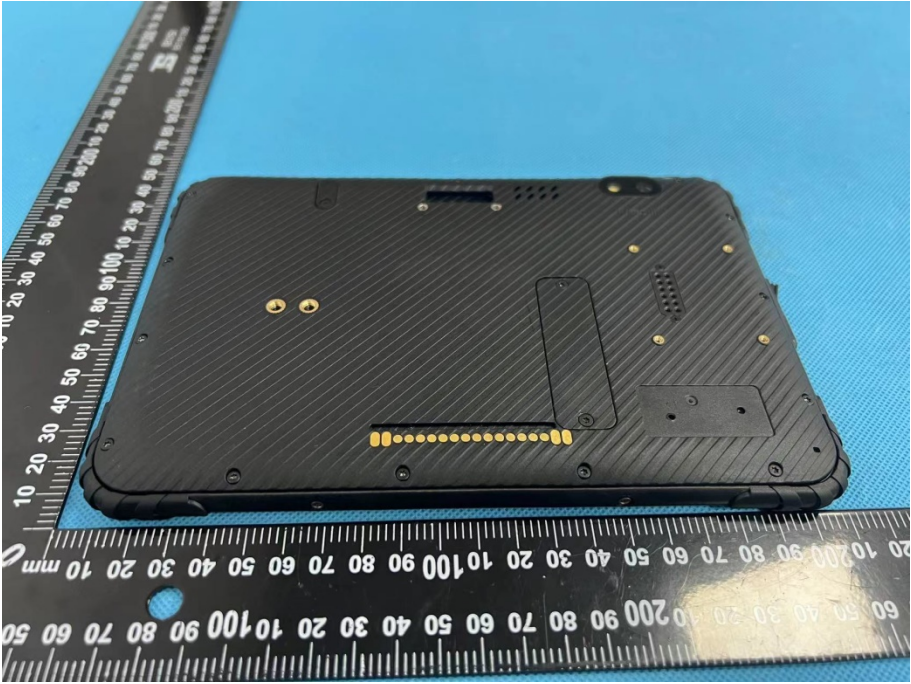

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

EUT View 3	 A photograph showing the back of a black electronic device, possibly a mobile phone or tablet, lying flat on a blue textured surface. A black L-shaped ruler is placed around the device for scale. The ruler has white markings in millimeters and centimeters. The device has a textured back cover, a camera lens in the bottom left corner, and several small gold-colored pins or connectors along the top and bottom edges.
EUT View 4	 A photograph showing the back of the same black electronic device from a slightly different angle than View 3. It is still on the blue textured surface with the black L-shaped ruler. The device's features, including the camera and gold-colored pins, are visible.

EUT View 5	 A photograph showing the back of a black mobile phone. The phone is positioned vertically on a blue textured surface. A black ruler with white markings is placed horizontally across the middle of the phone. The ruler has two scales: the top scale is in centimeters (0 to 10) and the bottom scale is in millimeters (0 to 100). The phone's back features a textured pattern, a small rectangular cutout near the top, and several gold-colored screws. The camera lens and flash are visible on the right side.
EUT View 6	 A photograph showing the back of a black mobile phone, similar to View 5 but from a slightly different angle. The phone is positioned vertically on a blue textured surface. A black ruler with white markings is placed horizontally across the middle of the phone. The ruler has two scales: the top scale is in centimeters (0 to 10) and the bottom scale is in millimeters (0 to 100). The phone's back features a textured pattern, a small rectangular cutout near the top, and several gold-colored screws. The camera lens and flash are visible on the right side.

EUT View 7	 A close-up photograph of the bottom edge of a black electronic device. The device has a textured, ribbed surface. Several gold-colored screws are visible. At the bottom, there are three ports: a USB-C port, a green circular port, and a black circular port. The device is resting on a blue textured surface.
EUT View 8	 A top-down photograph of the back of a black electronic device. The device has a textured, ribbed surface. A ruler is placed next to the device for scale. The ruler shows measurements in millimeters and centimeters. The device is resting on a blue textured surface.
