Safety and Warnings

Read all the instructions before using the product and then store them for future reference

WARNING: When using outdoor use portable luminaries, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and personal injury, including the following:

1. Do not look directly into light to avoid injury to the eyes.
2. Do not drop, puncture, or disassemble this product.
3. The rechargeable battery is not replaceable.
4. Do not use or install this product in any way other than what is outlined in this guide.
5. Can be used in wet/damp or dry location.
6. Do not submerge this product in water.
7. Do not charge this product in wet environments.
8. Avoid long exposure to direct sunlight, which may cause damage.
9. Do not use this product in small, enclosed locations that could limit the flow of air or trap excess heat.
10. Do not expose this product to open flames.
11. Do not use the product in a strong magnetic field.
12. Do not use this product for emergency lighting/exits.
13. Do not allow small children to operate, modify, or install this device unsupervised.
14. The product in its entirety must not be altered or modified. Alterations to the product invalidate the warranty.

IMPORTANT NOTE: The safeguards and instructions appearing in this page, are not meant to cover all possible conditions and situations that may occur. It may be understood that common sense, cautions and care are factors which cannot be built into any product. The person(s) installing, operating and responsible for the work light, must execute these factors.

Note: this product uses 2 x AAA batteries (not included).

1. When installing batteries, make sure to align the +/- polarity direction correctly.
2. Replace used batteries at the same time. Do not mix old and new, or different types of batteries.
3. Dispose of used batteries following your local regulations.
4. To prevent battery leakage damage, remove the batteries when drained or if the product will not be used for an extended period of time.
5. In the event of leakage, take care not to touch the chemicals from inside the batteries. In the case of an emergency if chemicals get into the eye, wash immediately with plenty of water and get medical treatment from a doctor.

Product

Operation:

- Press the center of the light surface to turn the light on or off.
- Use the (-) button to turn all lights on, or the (O) button to turn them off.
- Use the (+) button to increase or decrease brightness.
- Press timer button (30 min) the lights will automatically turn off after 30 minutes.
- The lights can be easily mounted to any surface using the included mounting plate. To install, first ensure that the installation surface is clean and dry, then peel the backing off the adhesive and press the plate firmly into place, holding for 10 seconds. For a more permanent installation, you may also use screws (included) to mount the plate.

Charging:

- Connect the type-C USB end of the USB cable (included) to the puck light's type-C USB port.
- Connect the type-A USB cable end to an appropriate power adapter (not included).
- Plug the power adapter into a standard wall outlet.
- The charging indicator lights up red while charging and turns blue when fully charged.
- Disconnect the cable when the unit is fully charged.

Changing the Batteries:

- The battery compartment is located on the back side of the remote. Press in the release latch on the door and remove it from the main housing.
- Insert 2x AAA batteries into the opening in the housing, making sure to align the (+) and (-) polarity as listed inside the compartment.
- Place the battery door back into the housing by lining up the two side locking tabs first, then press the latch side until it clicks securely into place.

Water Resistance:

- This product is water-resistant and is suitable for both indoor and outdoor use. To ensure maximum water protection:
- Do not charge the light in wet environments.
 - Do not submerge the light in water.
 - Avoid dropping or damaging the light.

Cleaning & Care:

- Use a clean, soft cloth to clean.
- Do not use any abrasive/corrosive cleaners/oils to clean.
- Dry if any moisture gets on the unit.
- Store in a dry and secure location.

Specifications:

1 YEAR LIMITED WARRANTY

Dynamic Lighting, Inc. Limited Warranty Policy for BLACK+DECKER products Last Updated: June 2024

This limited warranty contains important information about your rights and obligations, as well as limitations and exclusions that may apply to you.

1. WHAT THIS LIMITED WARRANTY COVERS; PERIOD OF COVERAGE Dynamic Lighting, Inc. ("Dynamic Lighting"), 32 Brunswick Ave, Edison, New Jersey, USA, warrants to the owner of the enclosed BLACK+DECKER-branded product contained in this box ("Product") will be free from defects in materials and workmanship for a period of one year. Notwithstanding the foregoing, the Warranty Period for a factory refurbished Product is one (1) year, even if installed by a professional. If the Product fails to conform to this Limited Warranty during the Warranty Period, Dynamic Lighting will, at its sole discretion, either (a) repair or replace any defective Product or component; with proof of purchase using original documentation. Repair or replacement may be made with a new or refurbished product or components, at Dynamic Lighting's sole discretion. If the Product or a component incorporated within it is no longer available, Dynamic Lighting may, at Dynamic Lighting's sole discretion, replace the Product with a similar product of similar function. This is your sole and exclusive remedy for breach of this Limited Warranty. Any Product that has either been repaired or replaced under this Limited Warranty will be covered by the terms of this Limited Warranty for the longer of (a) ninety (90) days from the date of delivery of the repaired Product or replacement Product, or (b) the remaining Warranty Period. This Limited Warranty is not transferable from the original purchaser to subsequent owners.

2. TOTAL SATISFACTION RETURN POLICY If you are the original purchaser of the Product and you are not satisfied with this Product for any reason, you may return it in its original condition to the retailer in compliance with the retailer's return policy.

3. WARRANTY CONDITIONS; HOW TO GET SERVICE IF YOU WANT TO CLAIM UNDER THIS LIMITED WARRANTY Before making a claim under this Limited Warranty, the owner of the Product must (a) visit LightingDynamic.com/support during the Warranty Period to provide notice of your warranty claim and describe the alleged failure, and (b) comply with Dynamic Lighting (or its authorized distributor's) return shipping instructions. Dynamic Lighting will have no warranty obligations with respect to a returned Product if it determines, at its reasonable discretion after examination of the returned Product, that the Product is an Ineligible Product (defined below).

4. WHAT THIS LIMITED WARRANTY DOES NOT COVER This Limited Warranty does not cover the following (collectively "Ineligible Products"): (i) Products marked as "sample" or "Not for Sale", or sold "AS IS"; (ii) Products that have been subject to: (a) modifications, alterations, tampering, or improper maintenance or repairs; (b) handling, storage, installation, testing, or use not in accordance with any quick start guide, manual or other instructions provided by Dynamic Lighting; (c) abuse or misuse of the Product; (d) breakdowns, fluctuations, or interruptions in electric power or the telecommunications network; or (e) Acts of God, including but not limited to lightning, flood, tornado, earthquake, or hurricane; or (iii) any non-Dynamic Lighting branded hardware products, even if packaged or sold with Dynamic Lighting hardware. This Limited Warranty does not cover consumable parts, including batteries, unless damage is due to defects in materials or workmanship of the Product, or software (even if packaged or sold with the product). Dynamic Lighting recommends that you use only authorized service providers for maintenance or repair. Unauthorized use of the Product or software can impair the Product's performance and may invalidate this Limited Warranty.

5. DISCLAIMER OF WARRANTIES Except as stated above in this limited warranty, and to the maximum extent permitted by applicable law, Dynamic Lighting disclaims all express, implied, and statutory warranties and conditions with respect to the product, including the implied warranties of merchantability and fitness for a particular purpose. To the maximum extent permitted by applicable law, Dynamic Lighting also limits the duration of any applicable implied warranties or conditions to the duration of this limited warranty.

6. LIMITATION OF DAMAGES In addition to the above warranty disclaimers, in no event will Dynamic Lighting be liable for any consequential, incidental, exemplary, or special damages, including any damages for lost data or lost profits, arising from or relating to this limited warranty or the product, and Dynamic Lighting's total cumulative liability arising from or related to this limited warranty or the product will not exceed the amount actually paid for the product by the original purchaser.

7. LIMITATION OF LIABILITY The Dynamic Lighting online services at LightingDynamic.com ("services") provide you information ("product information") regarding your Dynamic Lighting products or other peripherals connected to your products ("product peripherals"). The type of product peripherals that may be connected to your product may change from time to time. Without limiting the generality of the disclaimers above, all product information is provided for your convenience, "as is", and "as available". Dynamic Lighting does not represent, warrant, or guarantee that product information will be available, accurate, or reliable or that product information or use of the services or product will provide safety in your home. You use all product information, the services, and the product at your own discretion and risk. You will be solely responsible for (and Dynamic Lighting disclaims) any and all loss, liability, or damages, including to your wiring, fixtures, electricity, home, product, product peripherals, computer, mobile device, and all other items and pets in your home, resulting from your use of the product information, services, or product. Product information provided by the services is not intended as a substitute for direct means of obtaining the information. For example, a notification provided through the service is not intended as a substitute for audible and visible indications in the home and on the product, nor for a third party monitoring service that monitors alarm state.

8. YOUR RIGHTS AND THIS LIMITED WARRANTY This Limited Warranty gives you specific legal rights. You may also have other legal rights that vary by state, province, or jurisdiction. Likewise, some of the limitations in this Limited Warranty may not apply in certain states, provinces or jurisdictions. The terms of this Limited Warranty will apply to the extent permitted by applicable law. For a full description of your legal rights you should refer to the laws applicable in your jurisdiction and you may wish to contact a relevant consumer advisory service.

If you need to start a warranty claim for your BLACK+DECKER device, please reach out to Customer Support by emailing Support@LightingDynamic.com or calling our support number 833-622-1801.

Please allow 7-10 business days to process warranty claims. Customers located outside of U.S. will be responsible for all shipping costs.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.
