FCC WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTES: This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC rules. These limits are designed to provide a reasonable protection against harmful interference in a residential installation. This equipment generate, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

1. Reorient or relocate the receiving antenna.
2. Increase the separation between the equipment and receiver.
3. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

4. Consult the dealer or an experienced radio/TV technician for help.
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. The equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received including interference that may cause undesired operation.

Manufactured in China for: Walmart

version 1.0

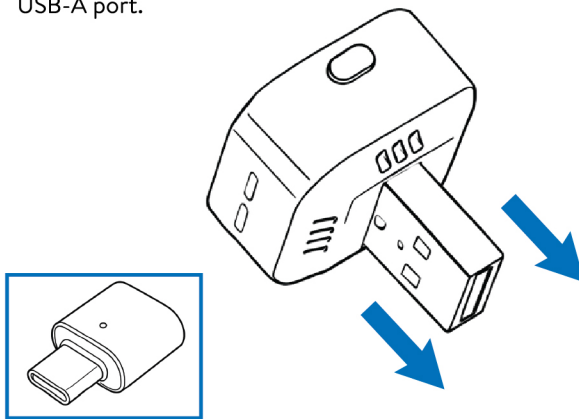

Overview

- USB-A CarPlay
- Compatible with Apple iPhones®: iOS 12 and above
- Compatible with Android Phones®: 11 or above
- Multicolor LED Status Indicator

Set-up

- Start up your vehicle.
- Insert the adapter into your vehicle's infotainment USB-A port.

Note: Use the included USB-A to USB-C adapter if your vehicle has a USB-C port.

Operation

CONNECT TO BLUETOOTH®

- Pair up to 2 smartphones.
- Enable Bluetooth on your smartphone and select “onnadapter-xxxx” from your new devices list. The pairing name will be followed by a number unique to each adapter.
- Follow on-screen prompts to activate the Wireless Car Adapter.

Note: After first setup, the adapter auto-reconnects when you start your car.

SWITCH BETWEEN PAIRED PHONES OR RESET

- **Single press** the side button to switch between paired phones.
- **Double press** to reset paired memory.
- **Press and hold** to turn the LED light on/off.

Note: The CarPlay will auto-reconnect to the last device it was connected to when turning on your vehicle. If you disconnect, you must pair your device once again.

Safety and Care

Please read all the instructions before using this product and keep this manual for future reference. Failure to follow the instructions could lead to fire, electrical shock, personal injury, property damage, or damage to the product.

- Keep these instructions.
- Read all the instructions before using the product, and use the product as intended.
- Do not adjust or plug in devices while driving. Ensure placement does not interfere with driving controls.
- Do not use the adapter if the housing is cracked, damaged, or if internal parts are exposed.
- Keep close supervision of this product if being used around children.
- Do not drop, puncture or disassemble this product.
- This product should not be exposed to dripping or splashing
- Avoid long exposure to direct sunlight, which may cause damage.
- Do not use the product in a strong magnetic field.
- Use a clean, soft cloth to clean. Do not use any corrosive cleaners/oils to clean.

WARNING:

- Use caution while using this device while operating a motor vehicle.
- This product is not a substitute for safe driving.
- Always follow local, state, and federal guidelines when operating a motor vehicle.
- Check with your vehicle manufacturing for compatibility with this product before use.
- Discontinue use of this product if product becomes damaged.
