SAFETY AND CARE INSTRUCTIONS

Read all the instructions before using the product and them
Store them for future reference. Failure to follow these safety
Instructions, could lead to fire, electrical shock, personal
Injury, property damage, or damage to the product.

This product contains a non-replaceable rechargeable Lithium-ion battery. When discarding, follow your local / state guidelines.

Do not expose to rain, moisture, or other liquid. Do use near water such as swimming pools, bathtubs, or sinks. If it becomes wet, immediately unplug the product from a power source. Do not handle the unit, USB cord or wall charger with wet hands.

Do not charge, or use, the product if it has been submerged in water, or if water has got inside the product.

Do not expose to heat sources, the sun, or leave in a hot vehicle. Do not dispose of in a fire.

Do not expose the product to extremely high or low temperatures.

Use this product in a location with a temperature of 32°F - 95°F.

Prolonged exposure to extreme heat or cold reduces battery longevity. Exposure to fire or temperatures above 170°F could cause serious damage and explosion.

Do not disassemble, there are no serviceable parts inside.

Do not drop.

Do not use if damaged or modified or if you see any bulging, swelling, leakage or other abnormality. Never insert objects other than the specified cables into the product. Damaged or modified batteries may exhibit unpredictable behavior resulting in fire, explosion or risk of injury.

Do not modify or try to use for a non-intended purpose.

Do not use the power bank more than its output rating.
Overload outputs above rating may result in a risk of fire or injury.

Do not place anywhere where the product would become crushed or punctured.

Place the charger on a flat, sturdy surface during charging. Charge in a well-ventilated area and make sure it is not covered with any material. Power banks generate heat when charging, and the power bank may temporarily stop charging if it gets too hot.

Charge using the correct wall charger, and make sure that the charger is inserted all the way into the electrical outlet.

Disconnect the charger once the product is fully charged
This product is not a toy. Keep out of reach of children or those
that require supervision.

Do not use abrasive cleaning solvents to clean the unit.

Note: Lithium-ion batteries will self-discharge over time. To ensure battery life, do not store the product in an uncharged state for a length of time. If left in a discharged state for too long a lithium-ion battery will no longer have the ability to be recharged.
