

Juniper Networks, Inc.

1133 Innovation Way Sunnyvale California United States 94089

Date: June 6, 2026

Federal Communications Commission

Authorization and Evaluation Division

7435 Oakland Mills Rd
Columbia MD 21046-1609

Subject: Declaration of Professional Installation

FCC ID: 2AHBN-AP66

Product Name: Wi-Fi 7 Wireless Access Point

To whom it may concern:

We, the undersigned, hereby declare that the device is designed and intended for enterprise use only, and will be distributed exclusively through controlled distribution channels.

The device is not marketed or sold to the general public. It is only available to qualified enterprise customers through authorized sales channels and/or service agreements. End users cannot independently purchase, access, or install this device without involvement from the manufacturer or its authorized partners. Installation of the device is restricted to professional installers who have received appropriate training.

The device may support detachable antennas using standard antenna connectors. Only approved antennas meeting regulatory requirements are permitted for use.

Output power settings are controlled and provided exclusively to professional installers. Such settings are designed to ensure compliance with regulatory limits and allow only power reduction, not enhancement beyond authorized levels.

Sincerely,
