A photograph of a green printed circuit board (PCB) with various electronic components. The board is rectangular and oriented vertically. On the left side, there are three gold-plated SMA connectors. On the right side, there are two black integrated circuits (ICs) mounted on a black carrier. At the top and bottom edges, there are gold-plated edge connectors. A small black antenna is visible near the top right. The board is placed on a green grid background with a ruler for scale. The ruler shows centimeters from 0 to 17. A small white label with the text "cm" is visible in the bottom left corner.
