

TEST SETUP PHOTOGRAPHS

Right Side	 A photograph showing the right side of a black electronic device with a screen, resting on a wooden workbench. A white charging cable is plugged into the bottom. A white measuring tape is placed vertically to the left of the device, showing measurements from 34 to 78 cm. The device's screen displays a lock screen with icons for phone, messages, and a battery status bar at the top.
Bottom Side	 A photograph showing the bottom side of the device. The screen is visible, displaying the time 03:37 and a battery icon. The white charging cable is connected to the bottom port. The measuring tape is positioned vertically to the right of the device, showing measurements from 34 to 78 cm.
Left Side	 A photograph showing the left side of the device. The screen displays the time 03:41 and a battery icon. The white charging cable is connected to the bottom. The measuring tape is positioned vertically to the right of the device, showing measurements from 34 to 78 cm.
